## Directions to Tall Oaks Training Centre

Glebe Farm, Forest Road,  
Hanslope MK19 7DE

### From Milton Keynes:

From the A5, travelling north.

At the roundabout, take the A508 towards N'pton (4<sup>th</sup> exit). Then take the 2<sup>nd</sup> turning on the right, signposted to Castlethorpe and Cosgrove. Take the first left turn to Castlethorpe: follow the road through Castlethorpe, until the T-junction just over the railway bridge: turn left here (signed to Hanslope). Follow this road for 2 miles into Hanslope, then turn left at the mini-roundabout. Keep going until you see the sign for Long Street, Hanslope - then look for the next right turn, signposted to Wootton and Quinton, this is **Forest Road**. About 100m along there is an entrance on the left hand side (exactly where the overhead power lines cross over the road), there is also a large overhanging willow tree. Turn left into the entrance and follow the lane to the very end. (This lane is BEFORE the red-brick pump house on the LHS.)

Or from the V6, Grafton Street

Head north from the V6 through Haversham and follow the signs to Hanslope. Keep going through Hanslope (straight over the mini-roundabout) until you see the sign for Long Street, Hanslope - then look for the next right turn, signposted to Wootton and Quinton, this is **Forest Road**. About 100m along there is an entrance on the left hand side (exactly where the overhead power lines cross over the road), there is also a large overhanging willow tree. Turn left into the entrance and follow the lane to the very end. (This lane is BEFORE the red-brick pump house on the LHS.)

### From Junction 15 of the M1,

Take the A508 towards Stony Stratford, and take the first left turn (signposted to Quinton). This is a twisty country lane, which takes you back under the motorway. Turn right at the end of the road, and just keep going! This road takes you through Salcey Forest after 3-4 miles, and as you enter 'Long Street, Hanslope' there are houses on the right hand side. Look out for these landmarks: a turn to Rose Lane Farm/Acorn Kitchens on the RHS, immediately after this a red-brick house on the RHS, the very next lane after this, on the RHS is our lane (exactly where the overhead power lines cross over the road) - follow it to the end.

### Using Sat-Nav?

The postcode is MK19 7DE but be warned: Sat-Navs may take you about 1 mile further along Forest Road (into the forest itself) - we are only 100m from the junction between Forest Road and Long Street Road.
